4 Find something to look forward to today

5 Get the basics right: eat well, exercise and go to bed on time

6 Pause, breathe and feel your feet firmly on the ground

7 Shift your mood by doing something you really enjoy

8 Avoid saying "must" or "should" to yourself today

9 Put a problem in perspective by seeing the bigger picture

10 Reach out to someone you trust and share your feelings with them

11 Look for something positive in a difficult situation

12 Write your worries down and save them for a specific 'worry time'

13 Challenge negative thoughts. Find an alternative interpretation

14 Get outside and move to help clear your head

15 Set yourself an achievable goal and take the first step

16 Find fun ways to distract yourself from unhelpful thoughts

17 Use one of your strengths to overcome a challenge today

18 Let go of the small stuff and focus on the things that matter

19 If you can't change it, change the way you think about it

20 When things go wrong, pause and be kind to yourself

21 Identify what helped you get through a tough time in your life

22 Find 3 things you feel hopeful about and write them down

23 Remember that all feelings and situations pass in time

24 Choose to see something good about what has gone wrong

25 Notice when you are feeling judgmental and be kind instead

26 Catch yourself over-reacting and take a deep breath

27 Write down 3 things you're grateful for (even if today was hard)

28 Think about what you can learn from a recent problem

29 Be a realistic optimist. Focus on what could go right

30 Reach out to a friend, family member or colleague for support

31 Remember we all struggle at times - it's part of being human
